Dear Friends,

We are now settled in our new location at 543 Front Street in El Cajon. It is a cozy and welcoming place that we hope you will enjoy visiting for lessons, classes, music and organ shopping.

Our theatre organ and Lowrey group classes will resume in August. See NEW schedule on the reverse side. It's also time to call Cheryl to schedule your private lessons at Organ Stop, the Seppala home or your home.

The Players Club had their July meeting at the Seppala home on July 23. With 28 in attendance, we enjoyed having the Allen theatre organ to play as well as the Lowrey, Kawai and grand piano.

Save the date of August 27 for our Organ Stop Club summer party. Details and reservation form follows.

Don't miss the boat! Our September 30 organ cruise is an easy and inexpensive one-week Mexican Riviera Holland America adventure. Enjoy our round trip San Diego itinerary with no flying hassles. Enjoy our three ports of call, or make the ship your exclusive destination for all the on-board activities and dining plus our special organ classes, concerts and parties. Bring your family and friends! *-Wayne and Cheryl*

SUMMER PARTY

This year we have a special treat for you on Sunday, August 27 at 4:15 pm. A true blast from the past! Our party will recreate a combination of two 1970's San Diego music-enhanced restaurants: Organ Power Pizza and Mario's--"Where They Sing While You Dine". If you are a long-time San Diego resident you will remember both of these fun music/dining venues.

We will welcome you to St. Andrew's Episcopal Church Social Hall at 4:15 on Sunday, August 27 with a soda or a glass of vino. **4:30 is SHOWTIME!** Enjoy an hour of popular standards and show tunes presented by some of the former Mario's singers, the Graves family and friends, and some familiar faces from Organ Stop. Your dinner of lasagna, salad, bread and spumoni ice cream will follow while you enjoy conversation and music. Wayne & Cheryl and friends will be available at the organ or piano to play your requests—just like the good old Organ Power Pizza days.

This event is in memory of Sallye Graves, long-time friend of the Seppalas, a former Mario's singer, and an all-round great musician. Her family generously donated Sallye's grand piano to St. Andrew's following her passing last year. Her daughter, Jane Ferguson, another fine musician and dear friend, is responsible for reuniting the Mario's singers with several of the talented Graves family members and friends for this show in memory of Sallye.

All proceeds from this show will benefit the organ fund at St. Andrew's. You will make your checks out to St. Andrew's Episcopal Church and any "tips" in the Organ Power Pizza tip jar will also go to the organ fund to make repairs and enhancements to their pipe organ.

PLAYERS CLUB (Reservations are required)

Join us on the fourth Sunday afternoon of every month at 2:30 to meet with other organ enthusiasts who enjoy preparing a tune or two to play for each other. If you are a non-player or just reluctant to share your talent, you may still join the fun! The Seppalas will host in their home or you are welcome to volunteer your home for the group to enjoy your instruments.

September 24: SPRECKELS ORGAN PAVILION: Attend the 2pm weekly concert. Curator Dale Sorenson has graciously agreed to keep the organ open for an hour after the concert for our group to try their hand at playing the great Austin organ outdoors. This is one of those 'once in a lifetime' opportunities. Due to the predicted popularity of this event, you are asked to sign up in advance if you wish to try the organ. Bench time will be five minutes per person, including set-up time. Or you are welcome to just play a chord and have your photo taken at this historical San Diego treasure. First come, first served. Call Organ Stop for reservations soon!

October 22: At 2:30, Organ Stop Club and Players Club members Bob Kambeitz and Bill Peterson welcome you to their La Mesa home to enjoy music at the Allen Q311SP, Kawai XR9000 and digital grand piano. Call or email Organ Stop for address and directions if you wish to attend.
