

Join Wayne and Cheryl Seppala for a
Mexican Riviera Organ Cruise
September 30-October 7, 2017
Roundtrip San Diego—Seven Days
Holland America Oosterdam

We invite you to join us for a restful one week vacation and our 30th Organ Stop Cruise. You will board the beautiful 82,000 ton, 1916-passenger Oosterdam in San Diego on Saturday afternoon and spend Saturday and Sunday at sea exploring the ship and getting to know your fellow Organ Stop cruisers. On Monday we will enjoy eight hours in Cabo San Lucas, on Tuesday ten hours in Mazatlan and on Wednesday thirteen hours in Puerto Vallarta. Thursday and Friday we will have two leisurely days at sea for your favorite organ and shipboard activities. We will place an organ onboard for our group to enjoy classes, concerts, parties, musical games and practice time. Time ashore is optional: Many of our organ friends and family go just to enjoy the magnificent service, the delicious cuisine, the fun entertainment, and the many relaxing amenities aboard. For less than \$80 a day per person, you can hardly afford to stay home!

Holland America's Oosterdam is a sophisticated, mid-sized ship with comfortable staterooms and gracious service. It's always the most fun to travel with friends who enjoy the same hobby. Invite your family and friends to come along too--organ activities are optional!
